

ONE SCOTTSDALE™

IMAGINE a desert landscape of pyramid-like mountains and "cinema-scape" sunsets. Step from this unique backdrop into an oasis of refined urbanity, where angled streets lead you to an unparalleled collection of specialty luxury retailers, distinctive restaurants and designer hotels. Here, iconic architecture, resort-style opulence and an amazing richness of detail will be combined to create a world-class destination without comparison.

As you stroll past elegant piazzas and breathtaking vistas, landscape is elevated to art in response to the inspiring natural environment. The ever-changing light and shadows of a sun-drenched climate reflect off of the beautiful storefronts, some adjoining state-of-the-art office environments and sophisticated designer homes. Experience the seamless juxtaposition of contemporary sophistication and timeless beauty at every turn.
